What is Insurance Premium Financing?

Paying insurance premiums can be a challenge. That's why Equity offers Insurance Premium Financing. It provides a financial boost to individuals, traders, institutions, and limited companies to enable them pay their insurance premiums with ease.

How it works

Once you get insurance through Equity, whether medical or non-medical (e.g. Motor Insurance, Biashara Insurance, Agriculture Insurance, Home Insurance and Fire and Perils Insurance), you can apply for a short-term loan to cover the cost of the premium upfront and repay it in easy monthly instalments.

Benefits you receive

- Flexible, affordable monthly repayment (6–10 months)
- 100% financing of the premium
- No security is needed – it's easy and accessible

Repayment period

- Medical Insurance Premiums – 6 months
- Non-medical Insurance Premiums – 10 months

Application requirements

- A duly completed Insurance Premium Financing application form
- For Individuals: Copies of your Identification card and PIN certificate
- For Limited Companies: CR 12 and a duly signed company resolution
